Every summer, Southport shows its appreciation to the residential tenants that call Southport home. Over the past four years, this event was a community barbecue. This year, Southport switched things up and hosted a movie night.

On August 28, Southport hosted a Community Movie Night for the residential tenants. Residential tenants were invited to bring a chair or blanket to the green space off of Caledonia Crescent, in the centre of the Southport residential area.

Earlier in the evening, the movie was moved indoors, but the rain didn't stop Southport staff and residents from having fun! The featured movie, Disney's Aladdin, was shown at 8:00PM. The tenants enjoyed complimentary drinks, popcorn and snacks while they watched the movie.
